Auto DJ

Upload Media

Create a playlist of music or old episodes to keep your station up 24x7. When connection is lost or you are not broadcasting, "Auto DJ" will automatically take over.

You have uploaded **1** of **200** tracks available for your **Free** plan.

In order to upload up to **1000** tracks consider updating to **Prime Plan**

[Update to Prime]

ⓘ You can upload up to **199** tracks more.
